### **Quickes cheddar (Exeter)**

Handcrafted, clothbound & naturally matured for 12-15 months. A rich buttery cheddar that offers outstanding depth of flavour from brothy to grassy to caramel notes

### **Cornish Yarg**

A light creamy semi-hard cheese whose unique character & taste result from being wrapped in nettles leaves. This traditional method of coating survives only in Cornwall

### **Cornish Brie**

This cheese has a semi-soft consistency with a lovely bloomy rind. As the cheese ripens it develops a beautiful creamy texture & releases a distinctive mellow flavour as it melts in the mouth, it perfectly compliments a range of medium white wines or delicate fruit reds

### **Devon Blue**

Made by Robin Congdon at Ticklemore cheese in Totnes. It is made using Ayrshire cows milk & it has matured for at least 4 months to give a sweet and smooth, medium blue cheese
