

## **We are so sorry**

there's a couple of things we need ask you to be aware of!

### **Please fill out your registration**

We know it will become tedious, especially if you come regularly; however, we are required to take this information to assist in Track & Trace. We will ask for this to be done prior to you being served.

### **Please don't stray from your table**

We will serve you & bring you everything you need. If you spot some friends I am sorry but you cannot go & see them nor can you move your table or chairs. We understand that you will need the loo & you will hopefully have been told where your closest one is.

### **Please respect the 2m rule**

It's there to protect all of us. Where possible please follow our one way system

### **Please make use of our wash stations**

Clean hands, everyone's happy!!

### **Please use contactless payment if possible**

It saves me going to the bank 😊

### **We'll be so happy if you have brought your children**

However, they are your responsibility & need to be kept at the table with you at all times

**Your cooperation will help us get British Pubs back**

**Thank you**
