

We are so sorry

there's a couple of things we need ask you to be aware of!

Please fill out your registration

We know it will become tedious, especially if you come regularly; however, we are required to take this information to assist in Track & Trace. We will ask for this to be done prior to you being served.

Please don't stray from your table

We will serve you & bring you everything you need. If you spot some friends I am sorry but you cannot go & see them nor can you move your table or chairs. We understand that you will need the loo & you will hopefully have been told where your closest one is.

Please respect the 2m rule

It's there to protect all of us. Where possible please follow our one way system

Please make use of our wash stations

Clean hands, everyone's happy!!

Please use contactless payment if possible

It saves me going to the bank 😊

We'll be so happy if you have brought your children

However, they are your responsibility & need to be kept at the table with you at all times

Your cooperation will help us get British Pubs back

Thank you
